(The Deputy Commissioner, Kolar District)

Sir,

I have the honour to state that the Jatra and Cattle fair of Sri Anjaneyaswamy at Kumbhiganahalli cross road in Sidlaghatta Taluk are being managed by this District Board since 1935-36. The temple is situated just by the side of the cross road and it attracts thousands of persons and cattle every year. The Jatra is being held in the middle of November each year and no other jatra will come off so early as this. As there are water and other facilities at the place, thousands of persons and cattle congregate during the Jatra time. The total income from this jatra for the past 7 years is noted in the margin together with the expenditure incurred by the Board. The entire realisations are being credited to this District Board.

In this connection, I write to state that a sum of Rs.120/- only is being expended towards lighting and other arrangements during the period of the jatra. This sum is found inadequate when compared with the necessities to be provided thereto, and it was felt necessary to enhance the scale of ~~exp~~ expenditure. The Jatra committee have proposed to revise the scale of expenditure from Rs.120/- to Rs.300/- and the Board at their meeting held on 22-12-42 have resolved to -- recommend to Government the scale as proposed by the Committee with an additional allotment of Rs.50/- towards cattle show expenses. The jatra is thriving and gaining popularity year after year. Beside Government have been pleased to sanction the holding of a weekly shandy at the place in their order No.L.5854-62 L.B. 13-41-136 dated 11-12-42.

In view of these circumstances, I request you to be so good as to obtain sanction of Government for the enhanced scale of expenditure of Rs.350/- as resolved by the Board. A copy of the resolution of the Board in this behalf and a copy of the resolution of the Jatra Committee received from the Amildar, are herewith -- submitted for favour of kind perusal.

I have the honour to be,

Sir,

Subject: Enhanced scale of expenditure in connection with
the Jatra and cattle fair of Sri Anjaneyaswamy at Kumbhigana-
hally cross road, Sidlaghatta Taluk.

Adverting to your letter No. L.8612-1B.31-42-18 dated
26-2-43 calling for certain particulars on the above subject

I have the honour to state that on a subject moved by one Mr.
C. Muniswamiah, District Board Member, Sidlaghatta Taluk in the
Board Meeting held on 10-9-35 regarding the holding of a cattle
fair near Hindigal cross road, the matter was referred to the
Deputy Commissioner, Kolar Dist. In the first instance the Deputy
Commissioner was not in favour of holding a fair due to scarcity
of water at the place. But at the request of the Board to --
reconsider the matter the Deputy Commissioner had intimated in
his letter No. L. Dis. 420.2821/35-36 dated 27-1-36 that he had not
objection if the Board desired to have the Jatra. But the levy
of fees in the Jatra was commenced from the year 1936-37 vide
Board's resolution No. 19 and 20 dated 15-12-36. As such it is
seen from the records available that Government sanction was not
perhaps, obtained for the holding of the Jatra and cattle fair
and the levy of fees. Much more so, with regard to the expendi-
ture incurred in connection with the Jatra from the year 37-38.

In this connection, I may state that on the requisition of
the devotees of the temple a sum of Rs. 120/- was advanced in the
first instance during the year 1937-38 for Jatra expenses of the

the marginally noted items and sanction of Board obtained vide Resolution No. 36 dated 5-2-38. During the year 35-37 a sum of Rs. 20/- is stated to have been paid towards cattle show and other expenditure.

1. Sheds for veterinary and Police Deptt.	Rs. 50/-
2. Sanitation.	20/-
3. Lighting.	20/-
4. Cattle show (if there be any)	50/-
Total.	Rs. 140/-

Hence from the year 37-38 a sum of Rs. 120/- is being advanced to the Amildar of the District of the sanitary inspector of the District Board for incurring expenditure to the marginally noted items and whenever cattle show is not arranged only expenditure to the extent of Rs. 70/- towards construction of sheds etc., is being incurred and the sum of Rs. 50/- provided for cattle show is being recredited to the District Board funds. Apart from this the Board is not incurring any expenditure on this account as a matter of fact the devotees of the temple are spending something like Rs. 500/- to Rs. 800/- to hold Mathothsavam and other expenses. During the year 1937-38 and 1941-42 cattle show was not conducted. Hence a sum of Rs. 70/- only was expended out of the advance made during these years. The marginally noted figure will indicate the actual realisations and the expenditure incurred in connection with this temple. The temple in question is not a

year.	Income.	Expenditure.

and the entire realisations are being credited to the District Board. The Board is not paying any amount to the temple at present.

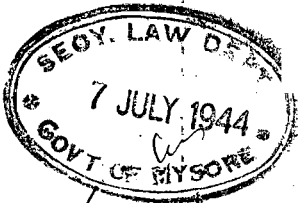

It may further be said that the devotees have constructed the temple at their own cost and they have been spending

liberally towards Mathothsavam and other expenses. As the prices of several commodities have gone very high the people are not coming forward to contribute their mite as they were doing previously. Hence the new scale of expenditure proposed by the Board is inevitable.

In these circumstances, I request you to be so good as to kindly obtain sanction of Government for ratification of the holding of the Jatra and cattle fair and the levy of fees as resolved by the Board and for the scale of expenditure of Rs. 350/- connected with this Jatra. The previous records together with the resolutions of the Board passed on the subject are herewith submitted for favour of kind perusal.

Subject: Enhanced scale of expenditure in connection with the Jatra and cattle fair of Sri Anjaneyaswamy at Kumbhiganahally cross road, Sidlaghatta Taluk.

Adverting to your letter No. L.8612/L.B.31-42-18 dated 26-2-43 calling for certain particulars on the above subject, I have the honour to state that on a subject moved by one Mr. C. Muniswamiayya, District Board Member, Sidlaghatta Taluk, in the Board meeting held on 10-9-35 regarding the holding of a cattle fair near Hindigal Cross road the matter was referred to the Deputy Commissioner. In the first instance the Deputy Commissioner was not in favour of holding a fair due to scarcity of water at the place. But at the request of the Board to reconsider the matter the Deputy Commissioner has intimated in his letter No. L. Vis. 420.2821/35-36 dated 27-1-36 that he has no objection if the Board desired to have the jatra. But the levy of fees in the Jatra was commenced from the year 1936-37 vide Board's Resolution No. 19 and 20 dated 15-12-36. As such it is seen from the records available that Government sanction was not perhaps obtained for the holding of the Jatra and cattle fair and the levy of fees. Much more so, with regard to the expenditure incurred in connection with the Jatra for the year 1937-38.

In this connection I may state that on the requisition of the Devotees of the temple a sum of Rs. 120/- was advanced in the first instance during the year 1937-38 from Jatra expenses of the marginally noted items and sanction of Board obtained vide Resolution No. 36 dated 5-2-38. During the year 1936-37 a sum of Rs. 25/- is stated to have been paid towards cattle show and other expenditure. Hence from the year 1937-38 a sum of Rs. 120/- is being advanced to the Amildar of the Taluk or the Sanitary Inspector, of the District Board for incurring expenditure to the marginally noted items and whenever cattle show is not arranged only expenditure to the extent of Rs. 70/-

fact, the Devotees of the temple are spending something like Rs. 200/- to Rs. 300/- towards Rathotsavam and other references. During the year 38-38 cattle show was not conducted. Hence a sum of Rs. 70/- only was expended out of the advance made during those years. The marginally noted figures will indicate the actual realisations and the expenditure incurred in connection with this Jatra. The temple in question is not a muzrai institution but a village institution and the entire realisations are being credited to the District Board. The Board is not paying any amount to the temple at present.
